Do you feel like no matter how hard you work in your business or job you still come home to cooking and cleaning like a 1950's housewife?

Well, let's embrace the domestic goddess within and have a fun day out with the girls. Come along in your best apron or retro frock if you feel like getting into the spirit of things (optional).

Plenty of sweet and savoury treats, bubbly and of course, tea.

Have fun networking, meet some great people and promote yourself and your business all while having some 'time out' for yourself.

A Bit about Country Business Mums:

Being a mum in business has a lot of unique challenges whether you own your own business, have a partnership, a hobby business at home or you're the woman behind your husband's success.

Country Business Mums provide a fantastic opportunity to meet other mums in business, share stories and experiences, get advice, promote your business and build a support network.
