

Making a Brighter Christmas for locals!

Here is your opportunity to make Christmas a little brighter by donating a gift or non-perishable food item to somebody who really needs it.

A little bit can make a big difference. Try adding one extra tin of food next time you are buying your groceries or including one extra gift on your Christmas shopping list.

All gifts are to be unwrapped but wrapping paper can be included as part of the gift or as a separate donation.

Your donation will find it's way to somebody in our community with the help of local charity organisations.

This is a Country Business Mums initiative but open to all in the community to participate.

The donations will be used to help:

- Children
- Youth
- Men and Women
- Families
- Elderly

Suggested gifts and donations:

- Toys
- Books
- Hygiene Products
- Non-Perishable Foods

Drop off points:
