NAR Design's Country Business Mums is turning one and it's time to celebrate with good company, bubbly, lunch and birthday cake!

Enjoy a day out with like-minded women at the beautiful Eldredge Vineyards. Have fun networking, meet some great people and promote yourself and your business all while having some 'time out' for yourself. A great way to form new friendships and business contacts but most of all - have fun!

Our speaker, Narelle Fleming, will ensure you come away feeling inspired and motivated.

A bit about Country Business Mums:

Being a mum in business has a lot of unique challenges whether you own your own business, have a partnership, a hobby business at home, or if you're the woman behind your husband's success.

Country Business Mums provide a fantastic opportunity to meet other mums in business, share stories and experiences, get advice, promote your business and build a support network.

In the last year we have had a lot of fun, networked, formed friendships and contacts and helped the community so why not be a part of it all in 2013!
