NAR Design's Country Business Mums is getting into the spirit of SALA (South Australian Living Artists Festival) by enjoying a day with Tracy Vandeppeer from Venturas Visions Studio & Gallery in Auburn. Tracy will take us on a tour of her gallery and the SALA exhibition and will discuss the importance of being creative in your life whether it be in an artistic way, doing the gardening or even writing a well-worded email. To show how simple it can be Tracy will also create some artworks so we can see the magic happen. We will also get to hear Tracy's personal story of being a Country Business Mum and living with a disability.

This will be followed by networking and a delicious gourmet pub lunch with a glass of bubbles (or softdrink) on arrival at The Rising Sun, recent winner of the Best Country Bistro award.

A bit about Country Business Mums:

Being a mum in business has a lot of unique challenges whether you own your own business, have a partnership, a hobby business at home, or if you're the woman behind your husband's success.

Country Business Mums provide a fantastic opportunity to meet other mums in business, share stories and experiences, get advice, promote your business and build a support network.
