Mother's Day is approaching and what a great time to celebrate being a mum in business and all of the hard work, sacrifice and joy this brings. Indulge in a day out with NAR Design's

Country Business Mums at Eldredge Vineyards, Spring Gully.

Our guest speaker will be Linda Eldredge from Eldredge and Associates. Linda will take us on a rare personal journey of being a mum in business while travelling the world learning other cultures and experiences.

This will be followed by networking, lunch and a glass of bubbles (or softdrink) in the beautiful surroundings of Eldredge Vineyards.

### *A bit about Country Business Mums:*

*Being a mum in business has a lot of unique challenges whether you own your own business, have a partnership, a hobby business at home, or if you're the woman behind your husband's success.*

*Country Business Mums provide a fantastic opportunity to meet other mums in business, share stories and experiences, get advice, promote your business and build a support network.*

*Come and join the fun!*

*Meet Linda Eldredge - Mother, Farm Owner/Manager, Managing Director and Nuffield Scholar, Linda has spent time travelling the world as a Nuffield scholar searching for new and innovative analytic tools to assist bringing management and production together, in real time, in the paddock.*
